EXPERIENCE

THE RP GROUP DECEMBER 2016 – PRESENT

Sacramento, CA — working remotely from San Francisco, CA

Graphic Designer

Communicate and collaborate with The RP Group's Director of Communications. Design graphic material as-needed, following The RP Group's brand guide. Designed 2-sided mailers, a 56 page conference program, redesigned the RP Conference 2017 logo, and designed the Leading From the Middle logo.

YERBANADO OCTOBER 2016 – FEBRUARY 2017

San Francisco, CA

Front-End Developer & UX/UI Designer

Worked with the Creative Director to design Yerbanado's website. Created wireframes for mobile, tablet, and desktop website designs. Developed Yerbanado's website using WordPress.

GRAVITATE APP JANUARY 2016 – JULY 2016

San Francisco, CA

Front-End Developer & UX/UI Designer

Collaborated with a team of UX/UI designers to design Gravitare App and promotional website. Developed Gravitare App website layout specifications. Used HTML5, CSS3, Sass, and JavaScript to develop Gravitare App website with a team, using Git version control.

ANACANI SERRATO MARCH 2015 – DECEMBER 2015

San Francisco, CA

Developer & Designer

Designed and developed a personal website for Anacani Serrato to showcase her interests and talents. Worked closely with Anacani to design the look and feel of her website. Developed a responsive website using WordPress.
